### INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

### History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

## NATIONAL ARCHIVES MICROFILM PUBLICATIONS

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

## NATIONAL ARCHIVES MICROFILM PUBLICATIONS

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

### Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

I am Wm. Campbell. They tell me I am 59 years old. I have lived here all my life. During the war I went up in Kansas, and came back here after the war. I was enrolled by the Dawes Commission. Roll No. 2886, Cherokee Freedmen Roll. I was enrolled with the Cherokees all through the enrollments. I was enrolled about 25 years ago. Yes sir, I did. I never heard anything about being enrolled in 1851. I never associated with any other tribe of Indians. I have always claimed to be of Cherokee Indian blood. I claim through my father, John Looney. He lived here in the Territory, but he came from Kansas, I think. He came here when he was a boy. He was about 6 years old about 6 years. He was about 6 at the time of his death. I never heard of his getting any money in 1851, and don't know whether he was enrolled, but think he must have been. I think they called them old settlers. I think he may have been enrolled in 1851, and think I heard then speak about getting money. My father and mother were married and my mother was a slave. I do not know whether my father was a slave, but guess he was. His father was a Cherokee, John Looney. I never saw him, but he came from Kansas and my father came with him. My grandfather was an old settler. I never associated with any other tribe of Indians.

My name is Charles Campbell. I am about 68 years old. I have always lived here but was born in Tennessee, and brought here. I was enrolled several times. I was enrolled by the Dawes Commission. I was enrolled as a Cherokee Freedman, Roll No. 2885. I was a slave of Indians. A woman by the name of Campbell was my owner, a Cherokee Indian. I was never enrolled with any other tribe except the Cherokees. I got Cherokee money, Strip money I think it was, and twice before. I was enrolled about 25 years ago. The people who owned me got money and kept it so I have been told. I claim through my father Dick Campbell who got his name through his owner. He lived in Tennessee but he died in this country. He died when I was a small boy. I do not know how old he was about the time he left Tennessee. I do not know whether he was ever enrolled. Dick Campbell never associated with any other tribe of Indians that I know of. He was married to my mother. They say my father was an Old Settler. He was so regarded. I claim no Indian blood through my mother. She was a slave also. I do not remember my father's parents. I do not know where they lived. I had two brothers, Dick and Feelin. I do not know my father's brothers and sisters.

Jane Smith, being duly sworn, deposes and says:

My name is Jane Smith. I am about 54 years old. I live in Nowata County, Oklahoma. I have lived here 35 years. I was born and raised in the Flint District, Indian Territory. I claim Cherokee blood through my mother. I have been enrolled by the Daws Commission, as Cherokee Freedmen, Roll No. 514. I was enrolled by the Wallace Roll and the Hester Roll. I was also enrolled by Clifton in 1896, and was also enrolled about '79 by Wallace. I have never associated with any other tribe than the Cherokees. My people were old settlers. My mother and my grandmother were regarded as Old Settlers. My mother has been dead about 18 years. Her name was Matilda Candy. She was born in Georgia and came out here, but I do not know the time. My mother got money once as an Old Settler. Probably twice. She never belonged to any other tribe than the Cherokees. I do not know whether she was enrolled in 1851. I have heard her speak of drawing money twice. My grandmother was Sylvia Candy. I don't know when my grandmother came out here. I think I heard my mother say that she was enrolled. I never heard them speak of the treaties of 1835-6. My mother and grandmother both came here with the Old Settlers from Georgia. I was a slave and my mother and grandmother, also. We were slaves of Indians. I think my parents were married. I have brothers and sisters: Emily Nowlen and James Talbot. They were enrolled by the Daws Commission as Cherokee Freedmen. My uncles and aunts were: Mary, Hannah, Rachel, Jim and Joe, on my mother's side.

COURT OF CLAIMS

Rec. SEP 21 1908  
No. 42962

Sallisaw, Okla., June 24, 1908.

Hon. Guion Miller,

Special Agent Court of Claims,

Sir:-

In reply to notice of June 10th, 1908, Application No. 42962, according to the best information I have herein give and in connection therewith I respectfully ask that the additional statements as to be made by Mrs. Mary E. Campbell and Mrs. George Kiddy be considered in support of my claim.

My father William W. Campbell, deceased, was an old settler as I am informed. My mother Mary E. Campbell, whose maiden name was Holt, child of William L. Holt, deceased by his marriage to Nellie Miller, called in the Cherokee language, Ka-you-Ker, who, as I am informed was an emigrant or eastern Cherokee Indian and came west to the Cherokee Nation with said emigrants in 1837-8 and on which account I claim a share in the emigrant fund.

As to fact or manner of my ancestor's enrollment in 1851, 1846 or 1835-6 I am unable to state, and is why I ask that the statements by the parties named be considered in and as supporting my rights as <sup>my</sup> alleged in this claim.

It is further understood that one Lewis Crapo of Campbell, Okla., is related to the family or parties through whom I am claiming.

With this statement in my case I respectfully ask that such additional information be considered as proving my rights and interests in said case.

I will also ask reference to the statement of Mrs. and Mr. George Waters of Vian, Oklahoma.

Very respectfully,

Hannie E. Wynn

Applicant.

Mary N. Williams, -- being duly sworn, deposes  
and says:

My name is Mary N. Williams. My age is 37 years. I was born and raised in this State. I claim Cherokee Indian blood. I got the strip payment, and the bread money. I was enrolled by the Dawes Commission, Cherokee Roll No. 4692. I claim my Indian blood from my mother, Nancy A. Holt, then Ford, then Bradley and then Campbell and Lyon; married 4 times. She died in 1900. Her brothers were Charles and Walter, and the youngest I believe was called Watt Holt. They lived in Going Snake District. Her sisters were Polly, Eliza, Temperance and Arabella. William Holt was my mother's father. He lived in Flint District. He lived in the Territory. My mother's mother was Nellie Miller. She was an Old Settler. I think my grandfather Wm. Holt was part Indian. Ka-yu-ka is my Indian name; my mother was called Nan-cie. My father's name was Edward Ford. I don't know that they ever associated with any other tribe of Indians. My mother was born here. I don't know what year they came here. Nellie Miller came here when the Indians first came. She drew Old Settler money. Jack Miller, or Juck Swan was gr-mother's bro. He lived in Vian, - Illinois District I think. Juck Spaniard is the meaning of the name Juck Swan. I do not know of any other brothers.

Thomas H. Fincher being first duly sworn, deposes and says:

My name is Thomas H. Fincher. I live at East Atlanta, Ga. I am 73 years old. I know Fredonia Lietch. I have known of her having Indian blood. Cherokee Tribe of Indians is what they said. That was the talk before the ~~waxxxxxxxxxxxxxxx~~  
~~fxxxxx~~ She gets her Indian blood through her father, Jos. Mills, and his father. I only know about her Indian blood from what was said in the community. Joseph Mills was born in Cherokee County, Ga. He is still living. He lives in Alabama. I do not know where Madison Mills was born and raised. I first knew him in Cherokee County between 4 or five years ago, 6 or 8 years before the war. I don't know that I ever heard Madison Mills talk about living with the Indians. I only heard the neighbors say he had Indian blood.

Henry Burden being first duly sworn deposes and says:

My name is Henry Harrison Burden, and I am 47 years old. I live now at Mountain City, Wayne County, Ind. I claim Indian descent on my father's side. His name was Joel Roberson Burden, and he has been dead about 15 years. He was 72 years of age at the time of his death. He died in the State of Michigan. He lived there about a year before his death. He went from Dark County, Ohio to Michigan. I was a grown man when he went there. My father lived about 40 years in Dark County, Ohio. My father came to Dark County with his folks from N. C. I always understood that it was Warren County, N.C. He never got any money from the Government on account of his Indian blood. If he had I would have surely known it. I never heard him say anything about being enrolled with the Indians. I never knew him to visit the Indians in his lifetime, and they never visited him only his relatives. My father got his Indian blood through his mother. Her name was Mary Coins before her marriage. He claimed to be a Cherokee Indian, she claimed to be a full blood Indian. I never heard of her getting any money from the Government. My grandmother died when I was child. She lived in Dark County, Ohio. She went there at the time my father did from N. C. She was over 90 years of age at the time of her death. My grandmother had a half brother named Ben Coins. He lived in N. C. also. I have always been recognized in the community in which I live as a colored man and none of my ancestors were ever held as slaves in my father's lifetime he always claimed to be a Cherokee Indian. I lived with my father until after I was grown and got married.

I am the grand-aunt of Chas. Underwood. He is of Cherokee Indian descent. He gets his Cherokee blood from his mother. She was my niece. I claim Cherokee blood myself and have made application for this fund. I think the mother of Chas. Underwood was born in the Indian Territory. She was paid strip money, bread money and grass money. She died before the allotment but her children were allotted land. Ten years before the war she was dead. My sister, Chas. Underwood's grandmother was the Indian. She was living in 1858. I was living in 1858 and drew old settler money. The mother of Chas. Underwood was an old settler and drew old settler money in 1858. Chas. Underwood's father is living and is a white man.

Sir:-

Relative to your application for participation in the Eastern Cherokee Fund, kindly state why you, your parents or grandparents were never enrolled.

Were any of your ancestors slaves? Please state clearly the name of the ancestor through whom you claim your right to share in this fund, and state where that ancestor resided in 1835 and 1851. Was that ancestor a party to the treaties of 1835-6 and 1846?

Give all your reasons for thinking you are entitled to share in this fund.

An early reply will be appreciated.

Very respectfully,

*James Miller,*

Sir:

Relative to your application for participation in the Eastern Cherokee fund, please state why you, or your parents, or your grandparents were never enrolled.

Were any of your ancestors ever slaves? Were any of your ancestors parties to the Treaties of 1835, 1838, and 1845? Were any of your ancestors Creek Indians? Do you claim to be a Creek Indian?

Evergreen, Ala, August 27, 1901.

In answer to the question on the same side of the page.

My mother was an Eastern Cherokee Indian, she was a full blooded Indian and was born in the State of Alabama from Virginia about 1800. My father was a white man and married my mother about the year 1820.

I was born in 1841, in ~~the~~ <sup>the</sup> place of 1864 about five miles from the place where this place.

My mother died in the Spring of 1864 about five miles from the place where this place.

I do not know why she was not enrolled unless it was because she was not a full blooded Indian.

My father was a slave and was owned by Ples Jackson in Butler Co. Ala. My mother was a Cherokee Indian and was recognized as such. Her father's English name was Bill Davis.

and her name was Martha Davis. I know nothing except I have told told that the descendants of the tribe to which my mother belonged were entitled to share in that special fund.

Evergreen, Ala, August 27th, 1908

Dear sir:-- In answer to the question on the other side of this sheet.

My mother was an Eastern Cherokee Indian, she was a full blood

and was brought to the State of Alabama from Virginia about the year 1824. My father was a negroe and married my mother about the year 1835.

I was borned in 1841, in ~~this county~~ Butler County Ala. about 80 miles from this place.

My mother died in the Spring of 1864 about five miles west of Georgiana, Butler County Ala.

I do not know why she was not enrolled unless it was because she separated from her tribe and never left this state when the tribe went to Arkansas about 1852.

My father was a slave and was owned by Ples Jackson in Butler Co. Ala. My mother was a Cherokee Indian and was recognized as such. Her father's english name was Bill Davis and her name was Martha Davis.

I know nothing except I have been told that the descendants of the tribe to which my mother belonged were entitled to share in that special fund.

Daniel Jackson.

Give us your reasons for thinking you are entitled to share in this fund.

An early reply will be appreciated.

Dear Sir:--

I have yours of the 18th, and beg to advise that the letter of Jan'y 28th came in due time, I took the matter up at once with Taylor, and he filed with me answers to all the questions asked by you. The same was sent to you without delay, and I cannot understand why it never reached you.

I note in your letter that you call Taylor's attention to Callie Jones, advising him that her application was not filed; I beg to advise that her registered No is 43029 I sent the application in at the same time that I sent in his.

I have written Taylor for the information again and as soon as I can hear from him, which will be in a few days I will send the information on to you.

Can you hold out any incouragement as to how soon the claims will be passed upon?

Yours very truly.

Hon' Guion Miller,  
Special Com ' Court of Claims,  
Washington, D. C.

Dear Sir:-

In further reference to yours of the 18th of June I beg to herewith respectfully hand you a letter received this day from Henry. Taylor; in which he states that the reason there were no applications filed by his brothers and his sisters as well as his Mother, Catherine. Taylor, was because *they* lived so far away from my post office or place of business, They live in the back woods where there is very little travel and communication between the out side world. Therefore they did not know of the matter until the time had expired.

If it is necessary to secure their names and other information, and they will be permitted to share in the distribution of the fund, and you can advise me that there is a very good probability of their claim being approved, I will bear the expense of a trip to them, which will take about a week, and will secure for you the desired information.

G. M. #2.

I can have Taylor come down here and may ask him such questions as you may deem necessary, if you think that will cover the ground.

Can you give me any information with regards as to how soon the matter will be closed up, or can you tell if there is any likelihood of any the claims that have been filed by the writer, being approved.

Yours very truly.

Dear Sir:-

In Re Claim #43028, Henry. Taylor.

Can you tell me about when will the claims be ready for settlement, and if it is too late for Taylor's mother to make a claim to share in the funds.

My name is James T. Williamson, and I live in Dell, Ark. I am 27 years old. I claim my Cherokee Indian blood through my mother, Betsy Ann Prentice. She died in Ark. She was in the neighborhood of 40 years old at the time of her death. She was born in Jackson County, Ala. I think. I, James T. Williamson, was born near Capellville, near Lenoirville, Tenn.

I have been taught from the cradle up that my mother was part Cherokee Indian. I remember hearing my father talk of our Indian blood sometimes. Elisha Prentice was my grandfather on my mother's side. I think that my grandfather & James Prentice came from Atlanta Ga. I do not remember anything about where my grandparents on my mother's side lived and died.

Testimony in case of Appl. #43033. (Etta Lawson)

Jasper Tandergrass being first duly sworn, deposes and says:-

My name is Jasper Tandergrass. I live at South Pittsburg, Tenn. I was born in Monroe County, Tenn. ~~in~~ I am going on 61 years old now. I am the father of Etta Lawson. I claim to have Cherokee Indian blood. I claim through my mother and her mother. My mother came from N. C. I don't know what part. I could not tell you whether my mother and her mother ever lived with the Indians. I never heard of my grandmother or my mother ever getting any money or land from the Government. I never heard of them being enrolled. I don't know about when my grandmother left N. C. I never heard my grandmother say she lived with the tribe. I have heard her speak of being around them and with them. I did not file my application because I tried once, and did not get anything, and I thought it was no count. My mother and I were living in Marion County, Tenn. in 1908. My mother never tried to enroll that I know of, because she did not think it was any good.

Jasper Tandergrass.

Special Commissioner of the Court of Claims,

Dear Sir:

Only a day or so before the time expired for filing Indian Claims for Eastern Cherokees, I, as Notary Public, prepared applications for Mary Templetch, H. A. or El Templeton and Callie Creek, and sent them to their attorney, L. B. Jones of Chattanooga, Tenn.

I am informed that attorney Jones was very ill at the time and died shortly afterwards. They have never received notice that the claims were filed, and we think it probable that they were never sent to your office. Can you give us any information?

Yours respectfully,

Dear Sir:-

In reply to yours of the 10 instant, relative to my application for participation in the Eastern Cherokee Fund, (App. No. 43044), can only state in answer to your questions:

First, I do not know why my grandparents were never enrolled, if they were not.

2ond. None of my ancestors were slaves.

3rd., The ancestor through whom I claim the right to share in this fund was Benjamin Ward. I do not know just where he resided in 1835 and 1851, but it was in East Tennessee somewhere near where Knoxville is now situated.

4th. I do not know whether he ( Benjamin Ward ) was a party to the treaties of 1835-6 and 1846 or not.

5th. I can give no reasons why I should be entitled to share in the distribution of this fund, unless I am so entitled by right of my ancestor, Benjamin Ward, being a Cherokee Indian.

I, am of the age of 75 years, and have known the bearer hereof,  
Sampson F. Palmer, and his mother Minerva Palmer for thirty seven

them, living in the same locality or neighborhood, and know that  
for all this time they have claimed to be of Cherokee Indian blood,  
having often heard them make the statement to that effect, and  
having been with the Cherokee Indians a good deal and being

appearance, and I believe the claim of Indian blood to be honestly  
made by said Sampson Palmer as it was claimed by them long before  
there was any hope of an estate therefrom.

Mr. G. Miller, Special Comm.,  
Washington, D. C. ,

Dear Sir :-

Relative to my application for participation in the East Cherokee Fund, will say for further information regarding my ancestry, that the reason we were not enrolled was due to the fact that my grand parents was dead, having died about the year 1830. My parents, like my self know nothing about any enrollment. My ancestors were not slaves. My reason for thinking that I have a right to share in the fund is that I know I am an eastern Cherokee. My great grand father was a Cherokee Indian and lived in North Carolina, his name was Ubanks. My grand mother lived there until she married a Scotchman by the name of Roark, when they were married they moved to middle Tennessee where my mother Manerva was born in 1825, then they moved to Hickory County, Mo., where my grand mother died. My mother had a sister about three years younger than herself, grand mother died when this child was an infant, about the year 1830. My mother lived in Hickory County, Mo., until she became a woman and married R. C. Palmer, my father. I was born in Hickory County ## April 3. 1851, my father died in 1868, my mother died in 1878.

Very truly yours,

In the matter of the claim of Mary Palmer Stephens.

I, the undersigned Henry Baker, of my own free will, upon my oath make the following affidavit;

I, am of the age of 75 years, and have known the bearer##### hereof, Mary Palmer Stephens, and her mother, ##### Minerva Palmer, for thirty seven years, and that during all that time I have been well acquainted with them, living in the same locality or neighborhood, and know that for all this time they have claimed to be of Cherokee Indian blood, having often heard them make the statement to that effect, and having been with the Cherokee Indians a good deal and being acquainted with the tribe, can say to the best of my judgment that the said Minerva Palmer, mother of the said Mary Palmer Stephens, resembled the said tribe very much in ### size, complexion and general appearance, and I beleive the claim of Indian blood to be honestly made by said Mary Palmer Stephens as it was claimed by them long before there was any hope of an estate therefrom.

Hon Guyon Miller,  
In Charge of the  
Eastern Cherokee Fund  
Washington D.C.

Your Orator would most respectfully represent that he is applicant number #3086, as shown by return card in answer to his application. He being confident, that because of the laps of time, since the occurrences, and the country ~~was~~ new and wild, and the customs of the people were such, that but little attention was paid to records, dates and the relations of ones ancestors, that the proofs of my claim to a share in the above fund were meager, and of doubtful assurance, because my ~~own~~ knowledge was so slight. Since filing the claim I have made extended inquiry and investigation as to my ancestors and their relations to the Cherokee people. I find that my grandfather on my fathers side bore the name of Levi Only, instead John, the other facts concerning him are as stated.

So also as to, his <sup>my</sup> grandmother on his fathers side. I further find that my grandfather on my mothers side bore the name of Thomas Smith, and that he was born in Virginia

County. I further find that my grandmother on my mothers side bore the maiden name of Lamsy-Angeline Overton. The relation ship to the stantons was because Mrs Stanton was a sister to my grandfather Thomas Smith.

As to the relation of his people to David and William Brown, and their relation to the Cherokees he is unable to produce any record, only the tradition of the fact. I can only say the same as to the Rountrees. I however find that my father and his brother Levi, and his half brother Jephtha, and half brother Absalom, all lived among, and inside the Cherokee nation as early as 1833 in the neighborhood of the Candy's Creek, and later, in 1834 prior to the treaty of 1835 they all improved property by built them houses here the

one mile of the Agency at Charleston Tennessee. This was after my fathers marriage to my mother in February in 1834. This settlement so long before the treaty of 1835 convinces me of a recognized relationship on the part of the Cherokees. Others at that time not being allowed to make improvements in the Nation, except Teachers and Missionaries and my people were neither. My father and my fathers brother Levi certainly had recognized rights among the Cherokees, or they would not have been allowed to make these improvements. My father also, had a manuscript copy of the Cherokee Alphabet of 72 letters and 13 combinations 85 in all, invented by George Swers a full blood. The further fact that after the treaty of 1835 and the survey of 1836, my fathers and his brothers rights were not recognized by the whites, and their improvements were taken up by others, and one James Erwin entered the 80 acres containing his fathers home: and to retain it he had to buy the land from said Erwin. Again the said Erwin having rights

to obtain a grant from the state, the same property was afterwards entered and a grant obtained by Duke Lea, my father and said Erwin had an equity suit brought against them by said Lea in Bradley County Tennessee.

When said Duke Lea learned that my father had made the original improvements, and that under the treaty he was entitled to pay therefore, and to be reimbursed of what he had paid out, and Mr Leas Attorney R. J. Meigs (afterwards U.S. Attorney General) had so advised, Mr Lea paid my father \$300<sup>00</sup> or more for his rights therein.

I with two other brothers and two sisters all older than myself were born there. Copies of these papers cannot be obtained because the Records of Bradley County were destroyed during the Civil war and I am so officially informed by the Register of Bradley County.

The above facts of a recognized right of residence, and a residence having been maintained among the Cherokees for several years at the

proof of my right to share in the fund in question. My father was not enrolled to be moved west of the Mississippi, as stated in my application because those of less than one fourth blood were not required to enroll, and it is a known fact nearly all of the mixed blood and many thousands of the full bloods wanted to remain in this the home of their fathers, and where some of their chiefs lie buried.

I will remember the Morgans, Hankses, Eldraths, Rogers, many of them my school mates, and that they are the grand children and great grand children of Chief John Walker who is buried here, and their mothers are the sisters of Chief Jack Walker, who was one of the six chiefs who signed the treaty known as the Osage purchase, and that he and three others were assassinated for so doing. I am well acquainted with this part of the history, I also know where lies buried Chief Bushyhead who was buried here in 1857.

I assure your honor that myself and my ancestors on both sides of the house were all free-born, and that no African blood runs in our veins.

I am in great need of any money which may be due me as a sharer of the fund. I am an old soldier - though an exconfederate - yet as such I and my comrades fought for what we believed our constitutional rights. I am unable to earn a living, my state pays me only \$5.00 per month, if it is found that I am entitled to it, I expect to get it. Otherwise I do not.

All of which is submitted to your careful consideration.

Prepared and signed Nov. 8<sup>th</sup> 1907, and copied on this the 30<sup>th</sup> day of December 1907.

Hon. Simon Miller - Com.,

Washington. D.C.

Dear Sir:

Replying to your communication of June the 10<sup>th</sup> inst, relative to application No 43086, for participation in the eastern Cherokee fund I answer 1<sup>st</sup> my parents were not enrolling because they did not expect to go west, and had cleared land west at home and expected to remain it, and did so until 1844, or 1845; and because as I have all along understood that those with less than  $\frac{1}{4}$  blood were not required to enroll. 2<sup>nd</sup> There is no trace of negro blood in any of my ancestors, nor were any of them ever in slavery.

3<sup>rd</sup> After a thorough investigation from all the right sources, or have been able to find I can elude there is indian blood from my paternal grand mother - Mrs. Woden or Wooten, born in Virginia moved to Harrods V.C., then to Smiths V.C., then to Tennessee, and lived in the Cherokee Nation from 1810

CALHOUN Tenn. June 15<sup>th</sup> 1908

To the date of her death in 1839, and is buried there, in the bounds of the Cocco purchase of the Cherokees - 1835-6. While my father looked more like his father - my uncle Levi only looked more like his mother, was dark skinned black or brown eyes and very black straight coarse hair. I further concluded that my maternal Grand mother was related to the Browns. I also find evidence of Cherokee Indian blood from my maternal Grand father Thomas Smith who was born in South western Virginia, and went from there to N.C., took part on the side of the U.S. in war of 1812-14, moved to Tenn. and died in Sevier County 1845-7. He had several children my mother - Beady J. Smith and four sisters and six brothers. The boys names were John, Thomas, Edward and William; the last named in Sevier County. Thomas went to Meigs County, Tenn. Edward to Meigs County, Tenn. and John went to Tenn., and was there lost sight of - possibly went to the west. My faith as to Indian blood here is largely based on the features and complexion with the hair - which are in harmony with those of the Cherokees.

CONTRACTS, PLANS & SPECIFICATIONS OF BUILDINGS.

CALHOUN Tenn. June 15<sup>th</sup> 1908

To the date of her death in 1839, and is buried there, in the bounds of the Coce purchase of the Cherokees - 1835 - 6. While my father looked more like his sister - my uncle Levi only looked more like his mother, was dark skinned black or brown eyes and very black straight hair. I further concluded that my maternal Grand mother was related to the Browns. I also find evidence of Cherokee Indian blood from my maternal Grand father Thomas Smith who was born in southwestern Virginia, and went from there to N.C., took part on the side of the U.S. in war of 1812-14, moved to Tenn. and died in Sevier County 1845-7. He had several children my mother - Beady T. Smith and four sisters and two brothers. The boys names were John, Thomas, Edward and William; the last names live in Sevier County. Thomas went to Tenn. Edward to Meigs County, Tenn. and John went to Tenn., and was there lost sight of - possibly went to the west. My faith as to Indian blood here is largely based on the features and complexion with the hair - which are in harmony with those of the Cherokee.

the relatives looking almost like full bloods.

I further claim the relation ship because of the special friendship, shown by my mother to the Cherokees, and their friendliness to the family and my own education and culture.

5th The fact of an improved residence, cleared land and orchard among the Cherokees, in the bounds of the nation when the rules of the nation, and U.S. treaty stipulations forbade it, to the whites unless there was evidence of Indian blood from the mother's side or of Indian blood on father's side. This residence was nearly one mile from the old Cherokee Agency at Calhoun, on the south side of the river, and was established at least ten years, nearly before the treaty of 1835, and which was signed in 1836, shows plainly there was a relation on the part of my mother, who lived and died in this home, or else that of my mother to the Cherokees and this relation was such that

6th The evidence of blood relation is further shown by the fact that the

treaty not made any preemptions of their names, either on the part of the full or mixed bloods, and the fact that my father was not a preemptions his home, but had to buy from a white man who entered the name.

6<sup>th</sup> These facts also establishes the fact that both the Cherokees, and the agents of the Government regarded my father and his mother, and my mother's brother as parties to the treaty of 1835-6, all of them were living at that time in the Cherokee nation, had been living there two or three years were living there at the time of the gathering of the Indians by General Scott 1837-1839, and after leaving his country, father continued to live there. All of his children, including myself, were born there; and mother only died there. These facts, taken together - have convinced me of my right to a restoration in the said land - as my people never went west, never drew any thing from the Government and did not get any from the Government for his home - had to buy land from a white man.

The foregoing statements are the grounds on which I base this claim. We lived on the south side of Hiwassee to 1845—since when we moved to Tipton; Father died in 1863, mother about 1877—or 1878. I have been moving about some but am now living on the lot on which stood the U.S. Block house built about the time of the Treaty 1815—1817. 1819. I am in my 67<sup>th</sup> year and unable to work, have not little of this world goods, and will be glad to, by any means to which I have any legal and moral right. All of which is respectfully submitted for your consideration.

R. J. H. Only claim First duly sworn, deposes and says:

That I am 67 years of age and reside in Mc Minn Co., Tenn. I claim my Indian descent on both sides of the house, through my paternal grandmother and maternal grandfather. Both were born in Va., my grandfather in south eastern Va. I don't know in what part my grandmother lived. My grandfather on my father's side died in 1839, and I don't know when my grandfather on my mother's side died. He died before the other. I was never on any Indian roll myself nor were either of my parents. I am not sure about my grandfather. My grandfather on my mother's side followed the Indians to N. C., don't know just what part, and from N. C. to Tenn. and lived in Sevier Co., Tenn. I was never a recognized member of the tribe. My parents lived among the Chickasaws from the date of my father's marriage in 1834 up to 1842 within the limits of the Osage purchase. They lived just about 3/4 of a mile south of the agency on the highway from Cleveland to Charleston, Bradley Co., Tenn. My father lived among the Indians and was on friendly terms with them. It was not allowed to preempt a homestead. I don't think my parents take any part of the negotiation or formation of the treaty of 1835. That was done by six chiefs. Don't think my parents ever enrolled for any reason that father said that none having less than 1/4 blood were required to enroll. My father was less than 1/4 and my mother was about the same. My parents never had any name other than Only. It was spelled Only, Only, Only and Only. Neither of these grandfathers had Indian blood were on any roll that I know of. My grandfather on my mother's side was named Thomas Smith, and the maiden name of my grandmother on my father's side my grandfather was Mary Wooten or Wooten. Mary Wooten, my grandmother on my mother's side died in 1839. My other grandmother died about 1838 or 1839.

U.S. Court of Claims

Washington D.C.

Your Honorable Court will  
note that in answer to  
The Order of the Court for  
the Classification of the  
Claims pending - that in  
all Claims in which I  
am interested - Hon. Wm H Robeson  
will represent the Claimants  
except the heirs of Reverend  
Mr C. Hawk deceased. I have so-  
far been unable to secure  
the services of a Washington  
Attorney to take charge of  
their Claims; for tho' they  
are willing to follow I have  
not received an answer to  
my last request. my health  
nor my financial condition  
will neither allow me to  
be there. We are compelled  
to rely on the evidence before  
the Court. We have some other  
positive evidence, Corobo-  
rating that sent in - but too  
late to get it there in time.

1st We have proved that —  
M.C. Hawk was a half blood  
Cherokee — his mother being a

2nd We have proved that he was  
an interpreter for the Cherokees  
in their Domain in 1832, —  
1833, 1834, and a pastor to them  
in their Domain 1835, 1836.

That his work among them  
was continued partially in 1837  
& 1838, and that he resigned  
in the last year ostensibly to  
go west.

3rd We have proved that from  
1832 to 1839 his home was in  
the territory recognized as  
the Cherokee Domain by the  
U. S. Treaty Commission.

4th We have proved that he  
was of that class of Cherokees  
not compelled to go west —  
because of his intelligence and  
moral standing.

5th We have shown the fact  
on account of treaty in which  
his brother-in-law & 1st blood Cors.  
in 1832, Walker a chief was in-  
vited by the Foreman's.

6<sup>th</sup> That Jim Foreman was often  
out here - ostensibly to visit his son,  
Jesse Bedwell, so called, and  
that as late as 1875 - he went  
by Dent Porters and remained  
there one afternoon, all night  
and up in the day for some  
time before he left. That he  
was recognized by Mrs. Hawk  
mother-in-law of Mr. Porter &  
and widow of M. C. Hawk - and  
that as soon as she recognized  
Mr. Foreman she concealed  
herself - and remained concealed  
until after he left. That she  
gave as a reason for doing so  
that she was afraid he would  
kill her, as he had been concern-  
ed in killing Jack Walker  
her son-in-law.

7<sup>th</sup> We have proved that Calvin  
Hanks a son of Hawks, was  
killed in the Cherokee Nation  
and that later Charley Foreman  
killed Hanks was a son  
son of Chief John Walker - thus  
we see the feud existed between  
the Walker Relatives and the  
Foremans.

Lastly. There are as I remember  
about fifty of the Hawk heirs,  
living who I regard as enti-  
tled to share in the fund in  
question. They are all of our  
best citizens who would  
spurn the idea of applying  
to shore, did the not consider  
themselves justly entitled to do.  
Three of these are active  
ministers of the Gospel, one  
in the Baptist Church and  
two in the M.E. Church.

All of which is submitted  
to the Court.

Sarah A. McGowan, being first duly sworn, deposes and says: My name is Sarah A. McGowan. I live at Nashville, Ala. I was born in 1837 in Blount Co., Tenn. I claim to be connected by blood to the Cherokee tribe of Indians through my mother and her father and mother. I don't know when my mother was born or died. She died when I was small, and she was about 40 years old. She was born in Campbell Co., Tenn. My mother's father was named James Shomake, and grandmother Sarah Shomake. Her maiden name was Iva T. I think they were born in Campbell Co., Tenn. My grandmother and grandfather claimed that they had Indian blood. My mother claimed to too. My mother and grandparents were recognized as white people, and lived with the white people. I never heard of them living with the Indians. I never heard of them being enrolled with the Indians, or never heard of them getting any money or land from the Government on account of their Indian blood. In 1851 I was living in Blount County, Tenn. In 1882 I was living in Blount County, Tenn. I was not enrolled at that time because I never knew anything about it. I never heard of my grandfather taking an part in tribal matters. I never heard my mother speak of a treaty with the Indians in 1855.

I have a son by the name of Elias McGowan, whose is 1916. He claims through me and also through his father. His father's name was Elias McGowan. His father died 49 years ago and was 31 years old when he died. He was born in Campbell Co., Tenn. He claimed Indian blood through his mother and her father. His mother's name was Betsey McGowan. I don't know Betsey McGowan's father's name. All my husband's family were recognized as white people. I never heard of any of them living with the Cherokee Indians. I think my first husband had Indian blood because he claimed it, and his mother said so. That is my only reason for thinking he had Indian blood. I never heard of my husband or any of his family getting any money or land from the Govt. on account of their Indian blood.
